ARMAGARD

INDUSTAR INDUSTRIAL COMPUTER

We are manufacturer and supplier of Industrial PC. Hema incorporation is a professional firm based out of the commercial capital of India Mumbai. We offer integrated solutions in Industrial Automation, Audio, Video, Voice data, IP streaming and IT systems.

Since 2010 Hema incorporation has been designing and installing world class Industrial Automation, Presentation , solutions and Integrated systems to serve a wide range of environments including Process Automation industries, Steel industries, Power sector, Railways, Government, Corporate & Education sector, with a focus of relationship management. We expertise in several niche market to deliver customer delight.

We are committed to supplying quality products with on site customer support.

Industrial Rack mountable PC

4U/3U/2U/1U Rackmountable Industrial PC with Intel C2D/Intel core i3/Intel core i5/Intel core i7 CPU,supports 2nd/3rd /4th Gen.RAM Up to 16Gb supportable, SATA HDD capacity as per requirement, Expansion slots upto 13 slots with PICMG 1.3 backplane/1.0 Backplane.

Operating temperature 0^{0}C - 55^{0}C , Storage temp 0^{0}C - 70^{0}C Power supply 430W/450W/500W ATX, It supports dual intel LAN /USB port/LPT Port/Serial Port/Audio ports.

Industrial 3U System

Industrial Fanless Embedded PC

The fanless PC comes with intel 4th/3rd/2nd Gen Core i7/i5/i3 and Intel Atom CPU. It offer richer expansions and I/O options that includes intel HD Graphics,HDMI, VGA and DVI-D Interface Dual 2.5''SATA/SSD drive bays with Raid 0/1 and mSATA socket.

Expansion is made possible via the PCI, PCI Expressx16,and the full size mini PCIe socket with sim card reader .Power supply 9V DC to 30V DC. Memory capacity upto 16 GB,3 independent display port, 2xUSB3.0 and 4xUSB 2.0 Ports, Operating Temp $0^0C - 55^0C$, Storage Temp $0^0C - 75^0C$.

Industrial Touch Panel PC

Industrial Panel PC is an all in one system designed around a highly integrated intel 3rd/4th Gen Core i7/i5/i3 CPU. It supports Touch Panel display from 10.4",12.4", 15",17",19",21.5" TFT Panel and offer I/O and multiple expansions

- Panel display resolution from 800x600 upto 1920x1080

- Contrast Ratio: 400:1 up to 1200:1

- Brightness : 250nits upto 600nits

- Memory : Up to 16 GB Supportable

- HDD : 2.5" SATA HDD

- Power supply: 12V DC Input

Industrial Networking switches:

Industar provides managed / Unmanaged (5 port, 8Port,16 Port ,24 Port) Gigabit Ethernet switch , POE switch, Media Converter, IEC 61850 Certified Ethernet switch, EN50155-Certified Ethernet switch and rackmount Ethernet switch. These options will help users to choose the best option for their solutions.
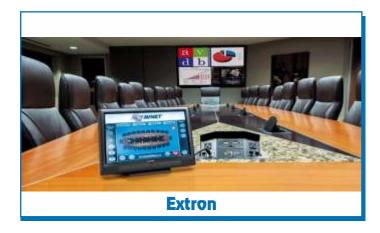

Digital signage

Digital Signage with open platform, configurable and customiziable, scalable, 24x7 operation mode.

AV INTEGRATION PRODUCTS

Extron

Video Wall

Built On Versitile Processor With 24x7, Operation Requirement With Industrial Grade Display panel - minimum Bezel with brightness Upto 700nits, or better

Industar is Sysytem integrator of **Extron** make computer-video interfaces, switchers, configurable control systems, distribution amplifiers, computer-video scan converters, scalars, signal processing equipment, and high resolution cables. These products are used to integrate computer, video, and audio into presentation facilities of today's boardrooms, presentation/training centers, university lecture halls, and other applications.

Display Professional

(Samsung/Pansonic/LG large format display)

Projectors

Infocus/Epson/Sony/Pansonic
